Dear Friends in Christ,

Edwards Key points -

- Edwards does an excellent job in short explanations to give the historical setting of the year we are looking at. Get the book.
- Israel under foreign occupation
- Early Christian community lived together and shared everything in common.

My Thoughts-

- Peter and John are proclaiming Jesus and are arrested by Sadducees.
- These religious leaders did NOT believe in the resurrection.
- They order P & J to stop. Peter says we obey God's authority alone.

- In session without P & J Sadducees decide to tell them to stop preaching and they are release and do it anyway
- Peter prays for the community of believers.
- Early community shared everything in common, even property.

How do you use your possessions to advance the cause of God?

In Christ,
